THE PEREGRINE FUND RESEARCH LIBRARY

DUPLICATE BOOKS, REPORTS AND THESES

All proceeds from the sale of these items are used to add new titles to our library. Every book you purchase from us results in an addition to two libraries – yours and ours!

Inquiries should be sent to library@peregrinefund.org or you may call (208) 362-8253. We accept payment by credit card, money order, check in U.S. dollars, or cash in U.S. dollars. Final prices include domestic media mail shipping costs of \$3 for the first item and \$1 for each additional title. Shipping costs for large orders are billed at actual cost. We honor purchase orders from institutional libraries, but request advance payment from other buyers.

Descriptions are based on standard terms used widely in the book trade:

- Mint:** As new (generally in original cellophane wrapping)
- Fine:** No defect in book or dustjacket, but not as crisp as a new book
- Very good:** Very light wear with no large tears or major defects
- Good:** Average used condition with some defects, as described.
- Fair:** A “reading copy” with major defects

“Wrappers” = paper covers. If this term is not included, the book is hardbound.

“dj” = dustjacket (or “dustwrapper”).

“ex-lib” = library copy with the usual marks

Publications may be returned for any reason in the original carton for a full refund of the purchase price plus media mail shipping costs.
