The Peregrine Fund

DUPLICATE JOURNALS AND MAGAZINES

Terms:

We sell major titles (AUK, IBIS, CONDOR, etc.) at \$3/issue and lesser items at \$1/number. Longer runs of major journals are priced separately with a slight premium. Shipping charges for items sold are the actual postage costs. All items are returnable for any reason. Simply contact me at the address listed below and I will be happy to help you.

We encourage you to consider donating unneeded books, journals, and magazines to The Peregrine Fund library, as we are now providing reference services to a growing group of conservation-oriented researchers, including many in other states and countries. All donations are tax deductible.

Thanks!
